The funds was sent to  
Manfred. Not me.

Your lawyer can file  
whatever he likes.

But I am not holding the  
funds. Manfred is.

So this is a funny  
statement.

You wired money to  
manfred per the contract.  
If you wish to cancel the  
contract ? You need to  
have your lawyer email  
Manfred stating he  
represents you. And he  
wants the contract void  
and funds back.

And then Manfred can  
refund him.
